The good Samaritan was also a good steward, giving his time and his treasure to meet his neighbor’s need. At the end of this familiar story, Jesus urges His hearers — and us — to go and do the same!

El buen Samaritano también era buen administrador de los bienes de Dios, dando su tiempo y su tesoro para satisfacer las necesidades de su prójimo. ¡Al final de esta historia conocida, Jesús anima a Sus oyentes — y a nosotros — para que vayamos a hacer lo mismo!

**CATHOLIC CHARITIES SEEKS VOLUNTEERS**

Do you love details, research, and fact-checking? Are you friendly and engaging on the phone? Volunteers are wanted to help Catholic Charities of San Francisco update the Parish Community Resource Guide for Marin, San Francisco, and San Mateo Counties. This guide allows parish staff to provide relevant resources for those seeking help locally. If you are interested, contact Carol Laughlin at (415) 972-1235 or claughlin@CatholicCharitiesSF.org; or Jane Ferguson Flout at (415) 972-1227 or jfergusonflout@CatholicCharitiesSF.org.

**HAPPINESS**

Since happiness is nothing else but the enjoyment of the Supreme good, and the Supreme good is above us, no one can be happy who does not rise above oneself.

— St. Bonaventure

**NATURAL FAMILY PLANNING**

It’s not your Grandmother’s Family Planning. Natural Family Planning (NFP) is a modern method a couple can use to regulate fertility. It is based on up-to-date medical and scientific research and replaces the old “rhythm method” which went out of favor in the 1950’s. It is individualized for each couple—because every woman is unique. Interested couples, and others, can contact Ed Hopfner, Director of the Office of Marriage & Family Life, at (415) 614-5547 or hopfneresfarch.org. Visit the website at sfarchdiocese.org/nfp.

**PLANIFICACIÓN FAMILIAR NATURAL**

No es el método de Planificación Familiar que usaba la abuela. Planificación Familiar Natural (PFN) es un método moderno que una pareja puede usar para regular su fertilidad. Esta basado en las investigaciones más avanzadas de la medicina y la ciencia moderna, y ha reemplazado el “método del ritmo” de los años 30’s y 40’s. Además, porque cada mujer es diferente, es particular para cada pareja. Para más información, contactar a Ed Hopfner al (415) 614-5547 o hopfneresfarch.org.

**GOD WANTS TO BE KNOWN**

The Old Testament reading from Deuteronomy praises God for inscribing the commandments in our very bodies. God’s law is not distant or foreign, but a natural part of us. In his letter to the Colossians, St. Paul echoes Moses, praising God for becoming one of us. The truly human, flesh-and-blood Jesus reminds us that God always wants to be recognizable and familiar to us. Jesus, who is also truly God, wants to be on intimate terms with each of us.

God’s passionate desire to be known by us is almost too wonderful to take in. Luke’s Gospel helps us understand how to respond. The Good Samaritan parable provides practical advice for those who believe in God’s intimate love for them and want to share that love with others.
